Dear Sir:

In response to the Office Action mailed May 25, 2006, Applicant filed a Response to Office Action on August 18, 2006 with a Fee Transmittal Sheet that contained an inadvertent typographical error. Specifically, a box was incorrectly marked claiming small entity status. However, the fee for additional claims that were submitted with the Response to Office Action was correctly based upon Applicant's large entity status. The status of the Applicant should not be changed; it should remain "large entity," and the full amount of the large entity fees that were submitted should be accepted by the USPTO.
